8am-noon at Pleasant Harbor Marina thanks to our sponsors: Anonymous, Polaceks, Pleasant Harbor Marina, Grahams, and Walmart.

2018 Community Swim Day

Eco Kayak Tours

Tours guided by Marine Biologist/Kayak Brinnon owner, Christina Maloney. Children will learn of the many species of local wildlife: harbor seals, bald eagles, great blue heron, salmon, sea stars and other marine invertebrates. They will also learn the ecology of Hood Canal, Dosewallips River & Estuary. The importance of healthy ecological systems will be stressed throughout each tour.

Brinnon P&R District 2.0

Brinnon Parks and Recreation District has rebooted its efforts to bring recreational activities to our community. On April 11, 2018 the Commission approved its 1, 3, 5 year goals. Year 1 goals included the following:

- Stabilize Commissioners turnover
- Meet consistently
- Update operating documents (Bylaws, Mission Statement, etc)
- Establish relationships/partnerships with other community organizations (School District, Chamber, ETA, etc.) Develop list community organizations
- Complete two events/program(s)
- Apply for grants and participate in fundraisers
- Submit all regulatory documents within deadlines
- Be advocates for community needs

We are working with community and public/private sectors to provide programs/events in 2018. See our website www.brinnonparksandrec.org or Facebook to learn more about our programs/events.

This is a very exciting time and we believe it is only the beginning. The plan is to build upon our successes each year until we have robust programming year-round.

Successes:

The current Commissioner are all attending meetings regularly and participating in events/programs/fundraising activities. Goals have been established and the Bylaws updated. Currently we are reviewing and/or revising the Mission Statement and Operating Procedures.

Shrimp Sales in conjunction with Emerald Towns Alliance. The fundraiser was possible thanks to the 40 Brinnon Parks and Recreation District community volunteers processing 1,251 pounds of shrimp into 846 packages ready for sale. We are thankful for the use of the Camp Parsons' kitchen making the process easier for the volunteers. The Shrimp Sale was on Memorial Day Weekend at the Brinnon Community Center and Quilcene/Brinnon Garden Club Plant Sale. On Memorial Day Weekend, Monday, just after 3:00pm we sold out. In part, thanks to the Garden Club providing us space to sell at their event. The fundraiser yielded \$4,639.06 to be divided evenly by both organizations. However, Emerald Towns Alliance (ETA) generously voted to donate their shrimp sales proceeds back to the Brinnon Parks and Recreation District. This donation will ensure the District makes its events/programs goal for the year and is very much appreciative of ETA support.

2018 Shrimp Head Popping Camp Parson

Cove RV Swap Meet. On June 2, the District participated in the Swap Meet and sold various items donated by Commissioner Schindler, his wife Val and Commissioner Coleman. The funds raised will help meet our budget goals.
